Jardine Lloyd Thompson (JLT) Asia was named "Broker of the Year" at the prestigious 7th Asia Insurance Industry Awards (AIIA) presentation ceremony in Singapore on 6 October.

This is a tremendous acknowledgement of our abilities, teamwork and reputation and truly confirms us as Asia's leading insurance broker.

In particular, the judges focused on our ability to deliver creative solutions through teams of dedicated professionals.

Mr Mike Methley, Managing Director of JLT Asia accepted the award and delivered his acceptance speech as below.

On behalf of Jardine Lloyd Thompson Asia, I am delighted to accept the award for "Broker of the Year" for a third consecutive year.

Continued success is hard to achieve in any industry and insurance broking is certainly no exception and public acknowledgement of JLT Asia's continued success is something we are all very proud of.

We can not achieve our market leading position on our own and in particular, I would like to mention our key stakeholders:

- Business Partners
- Staff
- Shareholders

I would like to thank all 3 groups for their fantastic support over the last twelve months.

I would like to specifically mention the contribution of our staff. From our Chairman, K.C. Quek, an outstanding industry professional who has lead by shining example and been an inspiration to our staff for so many years, to all our 500 team members across ten countries. I would like to thank them all for their outstanding professionalism, creativity and dedication.

This Award is therefore accepted on behalf of the incredibly hardworking staff of JLT Asia - thank you all very much indeed.
