JLT EXPANDS PRESENCE IN JAPAN

New Kansai Headquarters in Osaka will extend geographical reach of JLT Japan beyond Tokyo

Osaka City, Japan, 13 April 2007 – Jardine Lloyd Thompson (JLT) Japan has expanded its presence in the country by opening an office in the Kansai region. The new office, located in Osaka City, will allow JLT Japan to further expand its already significant indigenous business in the region, and provide better client service.

The services offered by JLT Japan from the Kansai office will parallel that offered in Tokyo. These include but are not restricted to: Credit Insurance, Product Liability Insurance, Export/Import Trade Credit Insurance, Professional Indemnity, Fidelity Guarantee Insurance, Product Recall Insurance, Directors and Officers Liability, Personal Information Protection Coverage Insurance, Employment Practice Liability Insurance (EPL), Event Cancellation Insurance & Sponsor Insurance, Environment Pollution Liability Insurance.

JLT Japan President Toshiaki Kajitani said: “While the Kansai region has largely been served by domestic agents, their breadth of offering is not as wide as what JLT Japan will be able to offer. Given the strong local knowledge JLT Japan, coupled with the global network of JLT, the new entity will be able to offer the clients in this region a strong level of expertise.”

Since market liberalisation in 1996, JLT Japan has grown steadily, acquiring a range of new clients and expanding its products and services across a range of industries - motor, fire, personal accident, general liability and medical expenses. JLT is also a recognised provider of risk management and claims consultancy in Japan, a reputation that is further bolstered by its strong track record in speedy claims settlements across the globe.
