APPOINTMENT OF MANAGING DIRECTOR, JLT INDONESIA

Jakarta, 17 May 2007 – Jardine Lloyd Thompson (JLT) Asia has appointed Setia Hadidjaja, an industry practitioner with 22 years experience in the Indonesian insurance market, to the position of Managing Director, PT Jardine Lloyd Thompson.

Setia has diverse experience in corporate & consumer insurance services, across a range of vocations – claim assessment, customer services, marketing, reinsurance and underwriting. His specialties include Major Corporate and Financial Solutions. In particular, he has wide experience in developing Comprehensive Crime Insurance packages reflective of the major catastrophe exposures faced by major banks – a historically difficult task.

Setia, who joined PT JLT in 2004 as Director, has held various senior level positions in the insurance industry. He was Deputy President Director of PT Asuransi Prima Perkasa International from June 2002 to April 2004, where he was responsible for retail operations and corporate business development. Prior to that, he was with PT IBS Insurance Broking Service, where his main responsibilities included general management functions and group sales strategies.

Setia has also been with Danamon Asuransi as well as with Danamon Insurance Broker and Reinsurance Broker for more than 10 years, in various functions - as President Director, Chief Operating Officer, Commissioner and Marketing Director.

“I’ve always believed that the client and broker need to have a thorough understanding of the client’s risk profile as well as financial strength,” Setia said. He added: “This is fundamental and only once it’s done can the broker accurately customise and match the gap to the specific exposures that the client wants to transfer to the insurer.”

JLT Asia Managing Director Mike Methley said: “Setia is widely respected in the Indonesian and international insurance industry. His years of experience in various capacities, as well as his strong track record in client service, makes him the ideal person to spearhead JLT Indonesia’s growth and to provide strategic counsel to clients.”
