APPOINTMENT OF MANAGING DIRECTOR, JLT THAILAND

Bangkok, Thailand, 4 October 2007 – Jardine Lloyd Thompson (JLT) Asia has appointed Brian Tarry, a professional with 46 years experience in the insurance broking industry, to the position of Managing Director, JLT Thailand.

Brian was with the Sedgwick Group in London for more than 30 years. At Sedgwick, Brian specialised in property and liability insurance. In 1980, he was appointed Director of Sedgwick Energy, with specific responsibility for major client accounts in UK, Thailand, Singapore and Malaysia. He frequently visited Thailand to meet clients and insurers.

In 2000, Brian joined JLT in London and specialised in the downstream energy sector. He was heavily involved in non-marine energy risks in the Far East, specifically in Thailand, and other areas of the world.

Brian has a wealth of broking experience covering the Lloyd's insurance market, the markets in East Asia, multinational and major corporate insurance programmes, property & casualty and the energy industry.

“In the almost five decades I have been in the industry, I have had the privilege of experiencing first hand an evolution in the insurance broker's role,” Brian said. He added: “There is a huge expectation on the part of brokers today to offer risk management counsel of the highest standards – benchmarks that I am confident JLT Thailand will be able to meet and surpass. The team's track record in client service, augmented by achievements such as being named the Best Non-Life Broker in Thailand at the recent Prime Minister's Insurance Industry Awards testify to this. I am very proud to lead such an accomplished team.”

JLT Asia Managing Director, Mike Methley said: “Brian's considerable knowledge of the country's business environment and insurance market will be a strong addition to the highly skilled, reputed team that we have in Thailand.”
